

Our Lady of Refuge School

2016-2017 IOWA Test Results

Grade 2

Grade Level Equivalency

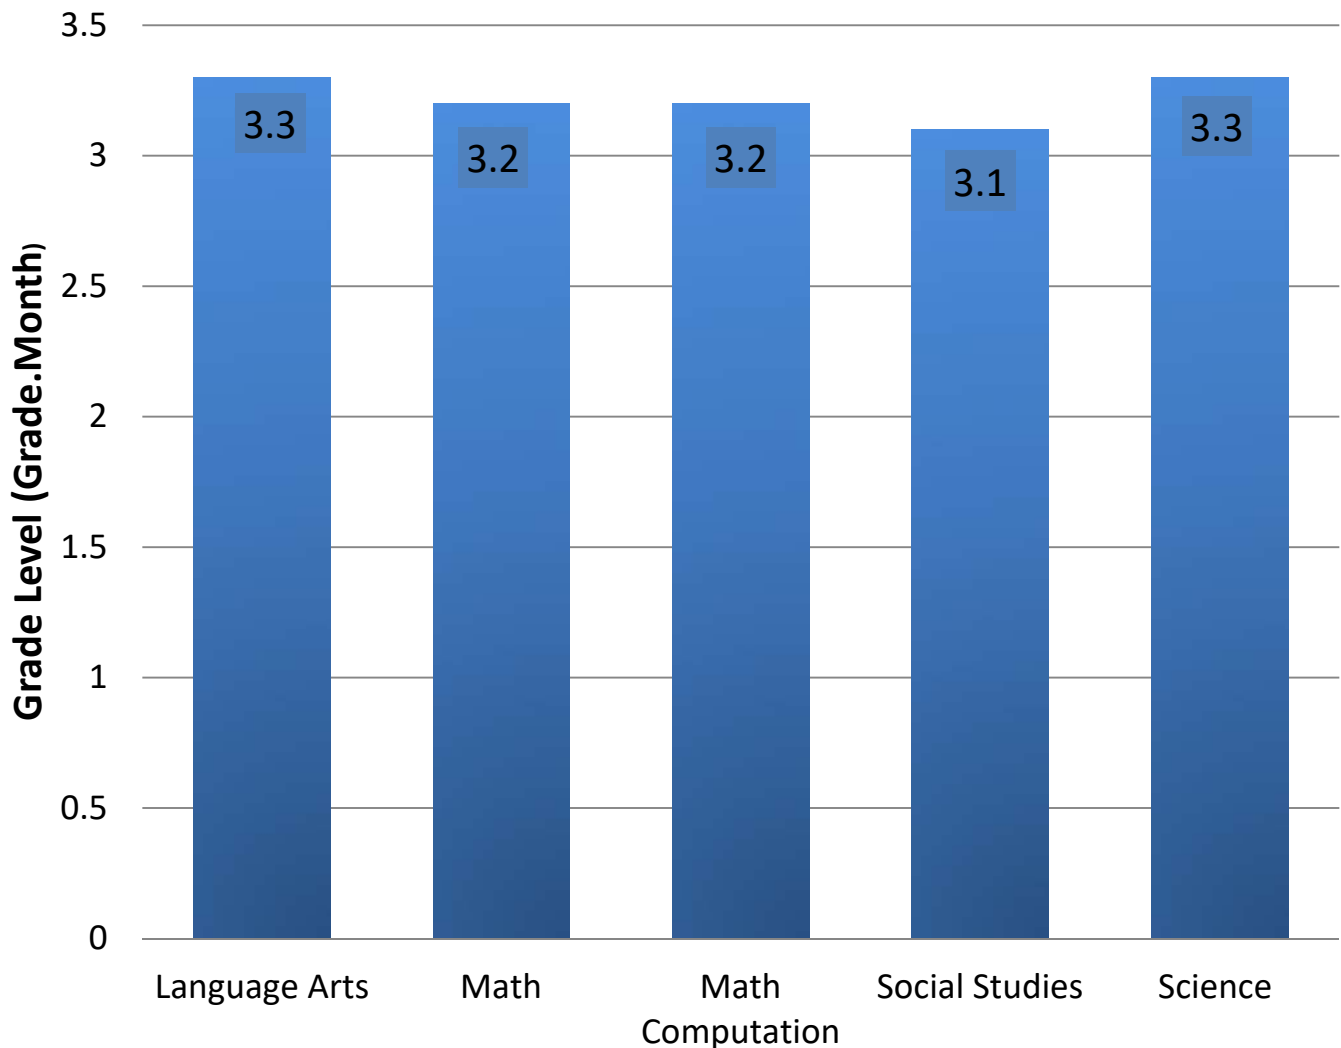

The Iowa Test of Basic Skills is given to all students in Grades 2-8. (Students in Grade 1 take the Cogat) The results above show the Grade Level Equivalency scores which is a decimal number that describes performance in terms of grade level and month (2.4 is a score that means the child's performance is typical of a student in the fourth month of the second grade)

Because the Iowa is given in the beginning of the school year, scores are reflective of what students learned in the previous year. As you can see from the scores above, our second graders are exceeding the grade level expectations in all areas tested.

2016-2017 IOWA Test Results

Grade 3

Grade Level Equivalency

The Iowa Test of Basic Skills is given to all students in Grades 2-8. (Students in Grade 1 take the Cogat) The results above show the Grade Level Equivalency scores which is a decimal number that describes performance in terms of grade level and month (3.4 is a score that means the child's performance is typical of a student in the fourth month of the third grade)

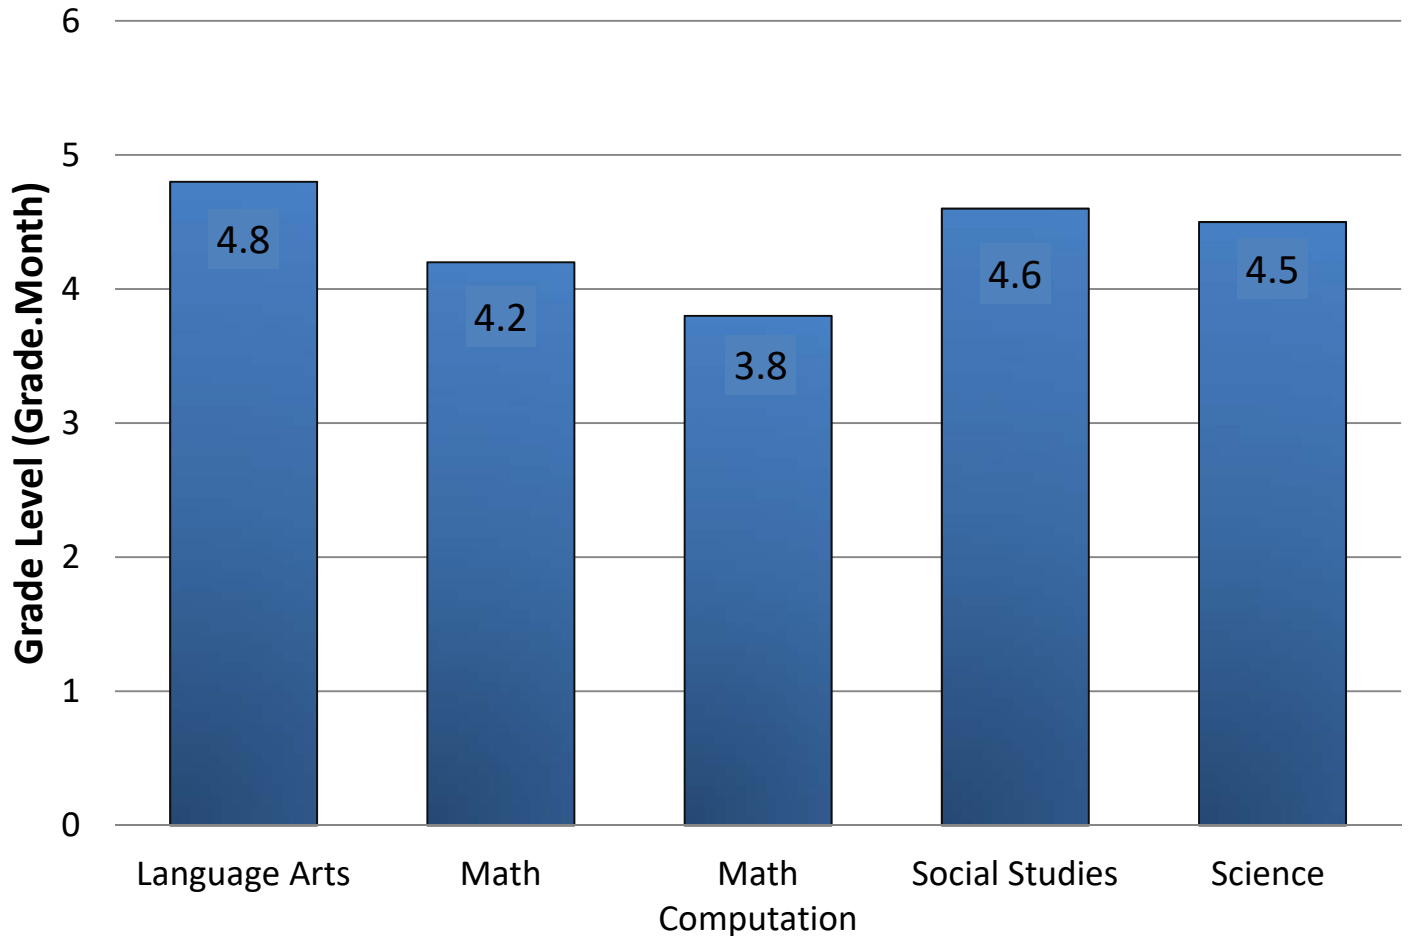

Because the Iowa is given in the beginning of the school year, scores are reflective of what students learned in the previous year. As you can see from the scores above, our third graders are exceeding the grade level expectations in all areas tested.
